COPS OF AMERICA -- ATTENTION

WOULD RICHARD NIXON DIE FOR YOU ?

"Both police and armed forces follow orders. Orders. Orders flow from the top down. Up there, behind closed doors, in antechambers, in conference rooms, gents hang on tables, the ticking of silver decanters can be heard as cigarette is paused by soft flat, conservatively dressed men in horn-rimmed glasses, fashionably dressed Amerikan widows with rejuvenated hairs and tinted hair, the air permeated with the suave humor of Bob Hope jokes. Here all the talking is done, all the thinking, all the deciding."

Just-Us

Recorder's Court Judge Robert DeMascio is a vicious man who wields a heavy hand against poor and black defendants that have the misfortune to enter "his" courtroom. He is almost as hard on youth dope offenders that come before him.

Recently though, two freaks had the last laugh when they ripped off the Judge's gavel from his bench after he had just arraigned them on a charge of possession of marijuana.

Taking it home, the ingenious brothers hollowed out the mallet and stem and created a beautiful and functional hash pipe. This done, they sat back, toked up and dreamed of real justice.
